COVID-19 SCREENING POLICY

NO SYMPTOMS or EXPOSURE

If you are not experiencing symptoms, and you and your household have no Covid exposure or positive test results within the last 14 days, you can participate in Constance Ministries.

EXPOSURE, NO SYMPTOMS

If you have been exposed to someone with Covid, all members of your household should stay home from Constance ministries for 14 days after exposure.

SYMPTOMS

Please stay home 10 days after first symptom and at least 3 days symptom free and fever free without medication, or negative test + no symptoms.

POSITIVE COVID DIAGNOSIS

All members of your household should stay home for 10 days after a positive test and at least 3 days fever and symptom free, or until follow up test is negative + no symptoms.

DEFINITIONS:

EXPOSURE:

If you have been within 6 feet of an infected person for at least 15 minutes, or notified you or someone in your household was exposed to someone with Covid, please stay home.

PLEASE NOTE: An entire gathering may not be considered exposed to an infected person. If exposure to Covid has been determined within a recent cluster meeting at Constance, people in that cluster will be notified.

SYMPTOMS:

1. Fever (+100.0) or chills
2. Cough
3. Shortness of breath
4. Sore throat
5. New muscles aches
6. Loss of taste or smell
