

# JULY HIGH SCHOOL MINISTRY

## **Elevate Summer**

**Wednesdays 7:30pm**

Summer is a great time to connect with others and grow deeper in your faith. We are offering mid-size Bible studies throughout the week in groups of 10 or less on campus. To register, email Greg at [gatkins@constancefree.org](mailto:gatkins@constancefree.org).

## **Sunday Morning Meet-Up**

**Sundays after church**

We've missed you on Sunday mornings! If you are attending in-person services this summer, stop by the HSM sign in the parking lot before you leave to say hi! We'd love to see you, take a socially-distant selfie with you, and maybe feature you on our Instagram page.

## **Challenge Conference Livestream Gathering**

**Wednesday, July 15 6:30-10:00pm**

Challenge is the EFCA's national student ministries conference. This year, Challenge has been reimaged as a free, one-night virtual experience and is being broadcasted live from Constance's main auditorium! Our students have the special opportunity to gather at Constance and watch the conference together. Students must be pre-registered by July 12. Register at [constancefree.org/events](http://constancefree.org/events).

## **Love Your Community Missions Experience**

**July 20-24**

Love your community in a big way! Students are invited to participate in a week-long mission experience, featuring on-campus and at-home projects, evening rallies, daily devotionals and some more surprises. The cost is \$50. Register at [constancefree.org/events](http://constancefree.org/events) as space allows.
